

Our Itinerary:

9 September, Sunday:

We depart from **Halifax** and pick up friends in **Truro, Amherst, Moncton & Fredericton** on our way to another fun excursion. We have **Sunday brunch** in Fredericton and then it's off to the US of A but not before stopping at the Duty Free Shop in Woodstock for a supply of candy. We continue to travel to **Augusta** where we will spend the night at the **Hampton Inn**.

10 September, Monday:

Following our **continental breakfast** at the hotel, we depart for **Boston** where we spend most of the day aboard the **Hop-On Hop-Off Bus**, taking in all the sights in Boston to acquaint us with this lovely old city that has so many memories for many of us. Late afternoon, we will be having a fabulous **group meal** at the **Chart House Restaurant** before returning to our hotel, the **Hampton Inn** in Peabody.

11 September, Tuesday:

After a **continental breakfast**, we travel to **Ipswich** where we take a quick tour of this quaint little town. We stop for a tour and pictures at the **Castle Hill** and **Crane Estate**, owned by the Chicago industrialist Richard Crane. Accommodations are still available in this beautiful home. Saying farewell to Ipswich, we travel to **Stowe, Vt** stopping along the way at **Ben & Jerry's**, to visit their scoop shop and then tour the factory where they make their delicious ice cream. Our next stop will be the **Cold Hollow Cider Mill** where they have been pressing apples for nearly 30 years. Finally we arrive at the **Von Trapp Family Lodge**, set in the beautiful hills of Vermont. The remainder of the day is free to explore the grounds and gardens of the estate before a delicious dinner in their very elegant dining

room. This evening is free to enjoy your time at the lodge and maybe meet one of the Von Trapp family and hear the true story of the "Sound of Music".

12 September, Wednesday:

After a delicious buffet breakfast we will say Good-bye to the beautiful hills of Vermont and to our next destination in Lincoln, NH but not before making a stop in Littleton, Vt. and pay a visit to **Cutters General Store** which boasts "the longest candy counter in the world". Before checking into our hotel in Lincoln, we do a little exploring of Franconia State Park, with a visit to the **"Basin"**. After checking into our hotel, there will be a time to freshen up before this evening when we will enjoy an elegant five course dinner aboard the **"Café LaFayette Dinner Train"**. As dinner is served, period music keeps time with the rail's rhythmic rumbling. After dinner, allow yourself a wistful journey back in time as we return to our hotel Holiday Inn Express for a much needed rest.

13 September, Thursday:

This morning, following breakfast at the hotel, we depart Lincoln for the beautiful little seaside village of **Ogunquit, ME** where we have theatre reservations at the **John Lane Playhouse** for the matinee performance. Following the performance, we will travel to Portland for a buffet at the **Home Town Buffet** before continuing on to Augusta for an over-night at the Hampton Inn.

14 September: Friday:

This morning, after breakfast, we will continue our trek homeward, stopping briefly at the **Duty Free Shop** in Houlton. After clearing customs, we stop for lunch before finally arriving home. A great trip but it is great to be home.
