

From our very beginning, **SHOWCASE PRODUCTIONS** has strived to present quality theatre experiences for our members and patrons. Shows produced over the years include *Broadway, Musically Speaking II, Little Shop of Horrors, Joseph and the Amazing Technicolour Dreamcoat, Jesus Christ, Superstar, A Secret Garden, L'il Abner, A Tribute to the Tonys, The Wonderful World of Music, You're A Good Man, Charlie Brown, Smoke on the Mountain, Sander's Family Christmas, Hello Dolly, Godspell, Seussical the Musical, Lucky Stiff, Children of Eden, Blood Brothers, Alice in Wonderland, The Wedding Singer, Spamalot, My Fair Lady* and many more, including student recitals and summer theatre camps.

SHOWCASE PRODUCTIONS THEATRE TOURS was started as a way to expose theatre lovers to as much professional theatre as possible. One of the ways we do this is through our guided tours to various locales. Over the years Showcase Tours has taken groups to Cape Cod, Washington, Philadelphia, Boston, Amish Country and of course, our most popular... New York City.

A second, but perhaps the most important objective of the Society, is to provide opportunities for, and financial assistance to, deserving students who wish to further their interest in the many facets of the

performing arts. To that end we have established a fund devoted to that purpose.

To date, **SHOWCASE PRODUCTIONS SOCIETY** has provided in excess of over \$136,000.00 in financial assistance to deserving students to attend university, band, choral and theatre camps as well as registrations for speciality functions to further their interest and education in some facet of the performing arts. We have helped students attend theatre programs at various universities in Canada and in England and have assisted some in acquiring work in their chosen profession. We, at Showcase Productions Theatre Tours, are proud of our fine reputation of providing quality tours at reasonable prices.

We are always welcoming new member to help with our productions and our tours. If you think you can provide able assistance to any of our activities, please contact us:
