

SHOWCASE PRODUCTIONS THEATRE TOURS

is a special project developed for Showcase Productions Society to raise funds for our on-going Scholarship Project which provide financial assistance to students to continue their interest and studies in some aspect of the performing arts. Scholarships are awarded each spring to a deserving student graduating from the Amherst Regional High School as well as a student graduating from one of the other High Schools in Cumberland County. Bursaries are awarded to any student who has participated in activities with Showcase Productions; and sponsorships are awarded to deserving students who want to attend an approved learning activity other than a school program.
