What are a few great reasons to travel with Showcase Productions Society's Theatre Tours?

With over 30 years experience in providing tours to New York City and beyond we believe we have the best tour to New York City in the Maritimes, providing our travelers with the most capable and knowledgeable tour guides and drivers to ensure your comfort and safety at all times.

All profits from all our tours go directly to providing two \$2,000 scholarships yearly to a graduating student going on to further their education in the performing arts. As well, Showcase provides bursaries, sponsorships, and donations to local performing arts organizations, such as band camps and summer theatre camps.

Showcase Productions Society is a registered not-for-profit organization made up of all volunteers, who receive no compensation for providing their services, whether it be putting the tours together, mailing out the information, providing guide service during the tours, or putting on a musical production.

Showcase Productions Society has a Board of Directors who oversee all aspects of the organization, from the theatre tours to putting on local theatre productions.

What to expect from a Showcase Theatre Tour?

When you travel to New York City with Showcase, you will have the opportunity to explore this amazing city on your own terms. We offer a 4-hour coach and walking tour of Manhattan the morning after arrival. Showcase will not take up your valuable time by taking you to places you don't want to go but rather encourage you to take advantage of your free time to do what you want in this city and when you want to do it. Of course, our guides are always on hand if you need advice or information to help you to your destination.

Showcase will provide accommodations in the heart of Times Square only steps from all the Broadway theatres (no bus rides to New Jersey after a long day of shopping and theatre).

Finally, we encourage you to compare our tour prices to other tour companies offering the same 8 day tour to New York City with 5 nights in Times Square, to realize what a "bargain" Showcase Productions Society's Theatre Tours are offering our travelers.

Tour Payment Information:

All Showcase Productions Society's tours require a \$100 non-refundable deposit upon booking. All tours must be paid in full 45-60 days before departure date. We strongly suggest that you obtain travel and medical cancellation insurance at the time of booking the tour. Payments may be made by cheque, money order, or by e-transfer to showcasep@eastlink.ca. Please contact our tour coordinator at 902 667-1900 for more information on any of our tours.
